### **26.9.5 Unmanned aerial systems at AIA post season events**

This policy includes not only the restricted playing area of the venue(s), but also the physical confines of the entire stadium/field/area structure. For the purpose of this policy, an unmanned aerial system is any aircraft without a human pilot on board.

### **MEDIA CREDENTIAL POLICY**

AIA has a Media Policy that needs to be followed to protect the proprietary rights of the Association and to protect the student-athletes and coaches at region and state tournament events. The following link ([http://aiaonline.org/news/press\\_center.php](http://aiaonline.org/news/press_center.php)) is to the AIA Media Center which houses the AIA online media credential form and the AIA approved media list (those that have requested and been granted AIA media credentials). The editor/manager of an outlet already granted access to AIA media credentials must go online and order credentials for a member of the media not on the master list. Please note that some members of the media might show up with freelance credentials. These have no pictures on them, but do allow for access to the event per the designated media outlet on the AIA media credential. Additionally, all member schools were allotted a number of school-based credentials for the school year. These will allow admittance equal to a media or freelance credential.

**AIA365.com Video Streaming:** Any school wanting to video stream a playoff game in any round must contact Brian Bolitho, [bbolitho@aiaonline.org](mailto:bbolitho@aiaonline.org). The exclusive rights for post season tournaments belongs to the NFHS Network; however, schools may broadcast a first round through semi-final game through AIA365.com/NFHSNetwork.com and not have to pay a rights fee. Any school wishing to broadcast on a third party website will be subject to the rights fee of that sport.
